

**Capitol View Consulting, Inc**

"Working together to create your vision!"

## **Project Management Advanced**

**Capitol View Consulting, PMI Registered Education Provider**

*Supporting both individual career development and organizational improvement in project management at Medtronic since 1998.*

**Facilitator: Dr. Gary Jurek, President of Capitol View Consulting, has delivered more than 60 courses to over 1,000 Medtronic employees in Project Management and Internal Consulting since 1998. He has also worked with Medtronic management on 16 different business unit initiatives. He is a Professor of Project Management at St. Mary's University of Minnesota (adjunct), Minnesota Quality Award Evaluator, and Project Management Consultant.**

***Advanced Project Management* is a three-day workshop focusing on essential processes, tools and skill sets required for managing large, complex projects. This course uses the nine PMI® PMBOK knowledge Areas to identify and assess stakeholder objectives, meet project technical and performance requirements, build and implement schedules that identify and achieve cost objectives, deploy effective quality strategies, and lower project risk.**

**Project Management Advanced course objectives include:**

- **Project selection techniques**
- **Project management plan development activities**
- **Utilization of project Retrospectives as a systems improvement strategy**
- **Keys to controlling project scope**
- **Effective project time management strategies**
- **Methods for maximizing your meeting investments**
- **Understanding project budget and accounting**
- **Becoming a cost estimating expert**
- **Practical project quality planning**
- **Utilization of Earned value management as a quality metric**
- **Strategies for developing effective teams**
- **Assessing project communication needs and building project communication management plans**
- **Stakeholder identification, assessment, and control techniques**
- **Project and task risk management strategies**
- **Effective project procurement and contract management practices**

**21 PDUs Awarded: All Project Management Institute members who successfully complete this course will be awarded 21 Professional Development Units, upon request, toward PMP certification by the Project Management Institute (PMI).**
